(Estimate)

- 424 1945 Lovely, shiny prooflike uncirculated, with a slight rub on the field from 1st "G" to "U" in "Georgius". (300.00)
- 425 1945 Beautiful, golden toned uncirculated, nice surfaces. (300.00)
- 426 1945 Just a little below our standards for uncirculated. (185.00)

- 427 1946 Ex-J. Douglas Ferguson Collection and called a PROOF by both he and Mr. Gerber. The coin shows some evidence of mishandling including a slight edge knock below the portrait plus other minor field problems. (700.00)

Each of these next four 1946 dollars is superior in every respect to the piece described above. All have partial wire edges, mirror-surfaces and other proof characteristics, and all are lightly toned. However, these are described by Mr. Gerber as plain uncirculated.

| 438 | 1948 The rarest of the Canadian dollar series, with only 18780 minted. We lead off with the PROOF or SPECIMEN coin, ex-Hendler, with only 50-70 struck. This is a beautiful flawless gem, with the normal orange-peel effect visible on the fields. | (2,000.00) |
